

# luxembourg internet-days

**17 & 18 Novembre 2014**  
**Online Gaming | Security | Data Centers**  
Luxembourg | Chamber of Commerce | a LU-CIX event

The **2014 LU-CIX Luxembourg internet days** – one venue, two days and three events buzzing with professionals discussing the latest hot topics at the heart of IT sectors like online gaming, digital life, online entertainment, internet security and data center operation.

We look forward to welcoming you at this year's most important LU-CIX event.

Our high-level conferences and speed-pitching and speed-dating opportunities will open new horizons for your business venture! Compare and share your views on new trends and prospects with those of major

industry players. Gain deeper insight into the world of tomorrow. Take advantage of the industry dynamics in Luxembourg and the Greater Region and widen your network!

Our sponsorship packages are a unique opportunity to leverage your business and to promote it to a crowd of top industry professionals.

Join us in Luxembourg, the 'green IT heart of Europe' and have an unforgettable time!

Claude Demuth  
Secretary of LU-CIX asbl

Marco Houwen  
President of LU-CIX asbl

A look back and an ambitious look forward! In 2014, LU-CIX is determined to step things up by taking the best from its past business fairs (Online Gaming and Digital Entertainment, 2012; Security and Data Centers, 2013) and combining it with an innovative approach to organize Luxembourg's first real cross-media/cross-industry event:

**luxembourg-internet-days:**

One venue, two days, three events.

**luxembourg-gaming.com:** 17th November from 1:30pm to 6:00pm

**luxembourg-security.com:** 18th November from 9:30am to 1:00pm

**luxembourg-datacenters.com:** 18th November from 2:30pm to 6:00pm

**One venue, two days, three events... and the best opportunity to feel the pulse of the ICT sector in Luxembourg, the Greater Region and beyond.**

Influential keynote speakers and high quality stalls and conferences on topics including:

- the fascinating online gaming, digital life and entertainment industries
- the widespread Internet security related challenges
- the silent world of data centers

Participants can also expect:

- conferences
- speed pitching slots
- pre-arranged speed dating sessions\*
- networking opportunities
- a VIP dinner **(for Diamond, Platinum, Gold and some Branding sponsors, keynote speakers and supporting friends)**

Booth space is limited so contact us as soon as possible to book your space.

**Booths will be provided free of charge to online gaming, digital life and entertainment companies on request depending on demand and availability.**
